

# TRUE STORY WINE

## 2015 True Story Rosé of Pinot Noir Willamette Valley, Oregon

<b><u>Fruit</u></b>	100% Pinot Noir
<b><u>Vineyards</u></b>	Sourced from some of the oldest vines in the Willamette
<b><u>Clones</u></b>	Dijon 777, 114, 115
<b><u>Vintage</u></b>	A dry mild winter lead to bud break a few weeks earlier than usual. Even with a large fruit set the warm temperatures in the spring and summer brought an early harvest with ripe fruit. A cool down near harvest kept the acids in place and created a well-balanced and bright rosé. Harvest Date: 9/26/15
<b><u>Winemaking</u></b>	A brief cold soak followed by a gentle press started the process. Gravity carried the wine to the stainless steel tank within the temperature regulated fermentation room. A slow controlled process resulted in a wine ready for bottling after four months.  Production: 75 Cases ABV: 13.4%

### **Tasting Notes**

Gorgeous pale pink color, aromas of hood strawberries, a touch of rose water and a subtle minerality compose the nose. Crisp bright stone fruit dominates the palate with a hint of watermelon, while the constant undertone of strawberries continuous throughout the experience. Good complexity, possessing a power and grace that translates to a lively clean finish.
